

## PARTNERSHIP FORM

Dear Church Pastors and Missional Leaders,

Greetings in the name of our Lord Jesus Christ! We are excited about the move of God in missions among the Asian American community. We anticipate the Lord to use *Passion for the Nations* Missions Conference to stir the hearts of His people in Southern California and beyond. PFN is inviting like-minded, missions-focused churches such as yours to partner together for this event. Your church could help promote PFN in various ways such as word of mouth, bulletin posts, website links, etc. Your congregation will benefit greatly by being more active in missions work. It is evident that churches that are involved in world missions are the ones growing the fastest because it is the heart of God to proclaim the good news in all the nations. It is our prayer that every Asian American church will rise up in a time such as this for the global advancement of God's Kingdom.

In return for your faithful partnership, we would like to promote your church or organization on the PFN website so that others may get connected to your ministry.

If you have any questions or suggestions, please email [Passion@Glecenter.org](mailto:Passion@Glecenter.org)

We appreciate your prayerful consideration to partner with PFN!

In Christ Alone,  
2010 PFN Planning Team

*"Ask of me, and I will make the nations your inheritance, the ends of the earth your possession." Ps.2:8*
